“ Barbra was one of the most sweetest loving people I've ever met. She helped one of the best friendships I've ever had the motivation to grow. Me and Ladonna became the best of friends and shared many memories after that. Barbra was one of the most giving people I ever met always opened her heart and home to me and was a great listener. I feel truly blessed to have met a person like her. It's not everyday you meet someone like that truly an angel with a heart of gold.
