“ I don't really know what to say. I am very disappointed that I didn't have the opportunity to say goodbye to my uncle Doug because of the actions of his son. I used to go and stay the night with him and my aunt Cheryl, who lived only one house down from me. I will always remember his smile and his love for watching football. You will be missed dearly.

“ You will forever be missed by the Abell family. We are deeply saddened that we didn't get to say our goodbyes to you. Aunt Cheryl will have you in her heart forever. She loved you so much. Love you Uncle Doug.

“ Doug will be forever missed. He and my Aunt Cheryl were in a common law marriage for 25 years. Doug was her soul mate and she will miss him dearly. We are very sad that Doug's son chose not to include us or her in the weeks leading to his death. All of his nieces and nephews will miss him very much. We love you Uncle Dougie.

“ My deepest sympathies to the family. Doug was my best childhood friend. We grew up together on Bank St. and had many fun times together. I will cherish the memories he and I shared. Doug and I met a couple of years ago and caught up on things. He was a good man and I am saddened at his passing. I know he will be missed. Walt Aberli

“ I went to Portland Elementary with Doug and I remember him well, he was the nicest of all the guys in the entire school. Just wanted the family to know. I lost contact with him after leaving the school.
