“ Melissa, Donnie and I love you so much. Kelly was one of a kind and we should all strive to be the kind of person he was to you and anyone he came in contact with. We didn't get the opportunity to know Kelly as long as others did but the couple of years we did were a blessing and ones we will never forget. The day he went on to be with the Lord was sad for all of us but for him it was a glorious return. Just know that in the hours, days, weeks., months and years to come we will still be here when you need us. Again, we love you so much and you are always in our prayers. Just know that one day you will be with him again and when you reunite it will be as if you never parted.

“ As cousins we all lost track of each other since childhood. I believe it was Kelly who found my brother on FB and we all reunited. What an enjoyable visit it was. Wish we could've gotten together more often but that don't mean my thoughts weren't with him. Love you cuz and I'm sorry but he's at peace now. My sympathies for all his family.

“ I grew up beside Kelly until I was 10. He reminded me last year of how we used to sit in mud and make mud pies!

“ Kelly will be missed. I knew him since grad school but really got to know him in the past few years. The day he was saved at church was a glorious day. He always had a smile on his face when I'd go back to shake his hand. He was sincere about his salvation. The prayer he prayed when we had special prayer for him at the alter was such a touching prayer. The love for Melissa & the love she had for him was real. Their love for each other just shined. Melissa we love you & praying for you. If we can help in any way please let us know!

“ Kelly, I will sooo miss you. We were good friends back in the day. I haven't seen him much since we got old. He was always such a sweet and thoughtful man. The last time I talked with him he was driving a truck for Sysco, I think. He sure loved his wife. He and I and my uncle Jimmie Dale Lawson were really close when he lived next to Sunny Side church. I told him I would love to see him and meet his wife over coffee, but you know life. Time just slipped by. I will always miss you my friend, Till we meet again. Love and hugs. Debbie Rennirt Simcoe
