“ They say behind every great man is a great woman; Bebe was certainly that woman for Gay. She was a wonderful, loving mother and the proof is easy to see in her children and the subsequent generations. She was a true lady and gracious hostess, no matter the circumstances. I always felt welcome in the Hamilton home. My fondest memories there were the Derby parties--pinning my hopes onto whatever horse I pulled out of the hat (Gay had a LOT of hats!) and the joy of being a part of those traditions. I remember so many of those gatherings on Derby Day, New Year's and 4th of July. Undoubtedly there would be an abundance of things to eat, including marvelous things Bebe had prepared. There would be times when she would talk to you personally. You would lean in to hear her gentle voice and she would hold onto you with both hands. You knew you had her complete attention, no matter what else was happening. Bebe was selfless, warm, and kind. Her beautiful, sunny smile is how she will forever live in my memory. “ Dear Hamilton, Miller and McDade Families: Joann and I send our heartfelt condolences in learning today of your dear Mother's earlier departure to join Charles in eternal life with our God. Larry Hilton and Mary Alice Keffer described your Mother well, and I can only add that her smile always lightened the sky of Shepherdsville whenever we were fortunate to be with her. She will never be missed as her spirit will always be with us, as life and love is eternal, according to Bill and Judy Guggenheim in their book "Hello from Heaven,"and her and our spirit has eternal existence. We hope that knowledge will bring some comfort to Mary Ann, Sarah Nell and James, and families, and to all who were blessed in knowing such a great lady. May her smile and graciousness always lighten our way. Love Jim & Joann & Family
