“ To my dear friend Matthew, his sisters Lori, Amy, Jamie and Trish's loved ones whom I've yet to meet: you all are in my thoughts today as you lay Trish to rest. She was the kindest of ladies and never seemed to know a stranger. She always made me feel like part of the family and not only at celebrations. I wasn't immune from the occasional reprimand alongside my pal.

Her memories will live on.

My deepest condolences,

Phillip Balter
